This form supplies Community Health Plan with the information needed to assign a newborn to the correct clinic and to correctly assign member information to the newborn. Incorrect information may result in an incorrect clinic assignment or duplicate newborn records. If Community Health Plan does not receive a newborn clinic selection form within 15 days of birth, the newborn will be assigned to the mother's clinic (if applicable). If this form is not received and the newborn sees a doctor who is not the newborn's assigned PCP, the PCP does not have to authorize the visit.
