

Clinical Data Repository (CDR)

Many providers will be required to submit clinical summary files to the statewide Clinical Data Repository (CDR) starting February 2017.

Answer the following questions to determine if your group is required to participate:

1. Is your organization contracted with a Managed Care Organization (i.e., CHPW)?

No: Data submission to the CDR is **not required at this time**.

Yes: Go to next questions

2. Does your organization have a 2014 certified Electronic Health Record (EHR) system?

IDN: To find out if your EHR system is 2014 certified please visit the Certified HealthIT Product List at: <https://chpl.healthit.gov/#/search>

Yes: Go to next question

3. Have you received monies from either the Medicare or Medicaid EHR Incentive Payment Programs?

No: Data submission to the CDR is **OPTIONAL** at this time

Yes: If you were able to answer yes to the above questions, then you are **REQUIRED** to participate in the Clinical Data Repository

HCA encourages all health care organizations serving Apple Health consumers to work with their EHR vendors to prepare to participate in the CDR at a future date – even if not required at this time.

In March 2017, the HCA started monitoring participation compliance by tracking which provider groups have received either Medicaid or Medicare Federal EHR Incentive Payment monies are submitting data to the CDR through the statewide HIE (Health Information Exchange)

Mental Health provider organizations may voluntarily submit during Stage One and will be required to submit during Stage Two.
